Hager Pacific Leases out 108,000SF of California Industrial Space

Southern California-based private real estate investment firm Hager Pacific Properties has leased a 108,700-square-foot office/industrial property in Ontario, Calif., to Kim Lighting, a division of Hubbell Lighting Inc. The five-year lease renewal is valued at nearly \$2.8 million. Kim Lighting will use the facility to manufacture outdoor lighting products for commercial, industrial, residential and institutional clients. The Ontario space is located at 2400 East Francis St. and is in close proximity to Ontario International Airport, as well as several major highways.
